Meyer House Care Home residents receive festive post from a local school

We had a lovely surprise at Meyer House Care Home this week when our local Old Bexley Primary School sent in lots of wonderful letters and cards for our residents to enjoy.

They were packed with **lovely messages and colourful pictures** and we've all thoroughly enjoyed taking our time to look through them – *we are going to be very busy replying to them all!*

A huge thank you and 'Merry Christmas' to all the children who kindly took the time to write to us.
