

Meyer House Care Home residents take a trip to Herne Bay

Meyer House Care Home residents recently had a fun day out to Herne Bay with a few family members and friends. There was lots of laughter to go with our tasty fish'n'chips too – especially since we ate them straight out of the box with forks or fingers! We also enjoyed ice-creams, beer and cups of tea too – *it's thirsty work strolling down the beachfront you know!*
