

Meyer House Care Home residents update their travel journals

As we continue on our Around the World with Nellsar Cruise, we've very much enjoyed creating memories of our travels here at Meyer House Care Home.

We had a relaxing afternoon last week completing our **travel journals** for our stop in Spain, which we all loved.

Joan and Doreen had fun finding **interesting facts and colourful pictures** to fill their pages before our next adventure. They look fantastic and are such a happy reminder of our **Spanish day!**

Next stop Italy!
