

Meyer House Care Home turns pink for awareness campaigns

Our Home turned pink last week here at Meyer House when we took part in Menopause Awareness Day and Breast Cancer Awareness Week.

We enjoyed decorating our lounge with a large **pink balloon arch**, 'think pink' banner and ribbons, and welcomed **wonderful singer Anna** into our Home and she entertained our residents with her fantastic voice. Our residents had fun in their **pink cowboy hats** and **pink feather boas** as they joined in with Anna's music, some enjoying a dance with her.

Some **beautiful themed cupcakes** were also on offer which were kindly made by our Receptionist Laura's daughter.

What a fun and informative day!
