

Meyer House Care Home welcome Therapy Dog Suzy

We had a lovely visit from Suzy our Pet Therapy dog this week at Meyer House Care Home.

Seen here with our resident Jack, they were also joined by Charlie the chocolate Labrador who came to welcome his grandad Jack back from his **Nellsar Cruise**. *We think there was a little bit of love in the air between the pair of them!*

Around the World with Nellsar Cruises saw us 'stop' in Hong Kong, India, Spain, Italy France and the Caribbean over the last six months. Our 'return' to England on Wednesday 11 August marked the culmination of the virtual travel adventure and we celebrated in style.
