

New Year art and birthday wishes at Meyer House Care Home

Happy New Year!

Our gents Bill and John had a very relaxing time doing some New Year's painting here at Meyer House Care Home.

They were both concentrating hard and being very precise to produce some wonderfully colourful New Years pictures.

Many happy returns

John enjoyed celebrating his 91st birthday recently, with a tasty chocolate cake and a lovely gift bag of toiletries.

All our staff sang him 'Happy birthday' and he had a super day enjoying the celebrations.

Happy birthday to John!

PAT dog visit

We enjoyed a lovely visit from our gorgeous **Pet Therapy dog Suzi** this week, who was proudly showing off her new Christmas bandana!

Our residents were all very pleased to see her and enjoyed making a big fuss of her.

What a wonderful visitor and friend she is to us all!

We love our Suzi visits
