

## **Painting pine cones and pumpkins at Meyer House Care Home**

### **Pine cone painting**

**Our residents at Meyer House Care Home had great fun painting some pine cones a variety of colours this week; it was messy and thoroughly enjoyable!**

Our resident Helen's grandson was delighted to help his Nanny paint hers and he also painted a few of his own.

### **Pumpkin creations**

Everyone was concentrating very hard when it came to pumpkin painting this week. They've turned out so well and our residents were very pleased. We couldn't pick a winner so it was prizes all round.

Creative group activities like painting are a wonderful way for our ladies and gents to socialise and they feel a great sense of pride in their creations.
