

Parachute fun and Magic Table games at Meyer House Care Home

Parachute prankster

Our Meyer House Care Home residents were having a wonderful time with our parachute last week, until a visitor turned up and wanted the ball all to himself...

....Frank the English Bulldog took matters into his own hands (or rather his own paws!) and sunk his teeth right into the ball which everyone thought was hilarious!

Magic table

Some of our residents enjoyed using our **Magic Table** on Friday 22 September with a variety of **games and quizzes** to try.

Amongst them were **interactive painting, car racing, horse racing, fishing, 'name that tune'** and even a couple of **train journeys**.

Such engaging activities and we all had lots of fun!
