

## PAT Dog Suzi visits Meyer House Care Home residents

**We had another lovely visit from Pet Therapy dog Suzi on Wednesday 13 March here at Meyer House Care Home.**

Black Labrador Suzi is such a wonderful ambassador for Pet Therapy, with her **calm and friendly nature**, which gives a real boost to our residents.

She **met our new resident Brian for the first time**. Brian is a big dog lover and he very much enjoyed being with her. He was pleased to know he will be seeing Suzi on a regular basis.
