

## **Pet Therapy dog Susie returns to Meyer House Care Home**

**On Tuesday 18 May we were lucky enough to have Susie our Therapy Dog back in again at Meyer House Care Home, which delighted everyone.**

Together with her handler Steve, she visited all our residents in their rooms and spent time in our lounge too – giving our ladies and gents cuddles in return for a treat. *She's such a lovable character!*

John, Maggie, Doreen and Doris were all so happy to welcome Susie back into our **Home**.
