

## Pet Therapy dog Suzi visits Meyer House Care Home residents

**We were so pleased last week when we were able to welcome PAT dog Suzi back into Meyer House Care Home.**

Everyone was so pleased to see her and our new resident Helen was very happy to meet Suzi for the first time. Suzi was pleased too as Helen gave her lots of lovely treats!

Suzi really does **lift everyone's spirits** and is so sweet natured.

*Do come again soon for more cuddles!*
