

Pink Day at Meyer House Care Home

To help highlight the importance of Breast Cancer Awareness at Meyer House Care Home, we enjoyed a special afternoon at our Home for 'Turn Nellsar Pink Day'.

We welcomed **singer Annie G** who performed a variety of old classic singalong tunes and we enjoyed lots of tasty pink and white treats – with **sweets, cakes and pink lemonade on offer!**

Our residents each had a **goody bag** containing some Forget-me-not seeds, some 'Stand up to cancer' socks, a stress ball and sweetie treats.

Such a fantastic afternoon, with lots of fun supporting such an important message.
