

Rainbows, Easter decorations and dancing at Meyer House Care Home

We've been having fun with our residents here at Meyer House Care Home and pulling together during this time of visitor restrictions.

Our ladies and gents have been busy with some wonderful rainbows pictures, making 'Stay Safe' messages to share with loved ones. We've also created a large Stay Safe rainbow for the front of our Home which is now on display.

To celebrate Easter, we created a beautiful tree display, and all of our residents made a colourful named Easter Egg to add to it – well done everyone, they look super!

And our staff team has been amazing at entertaining our residents by singing and dancing - *move over Britain's Got Talent!!*
