

Remembrance Sunday at Meyer House Care Home

Our residents had a wonderful day on Remembrance Sunday here at Meyer House Care Home.

Our ladies and gents dressed up and **reminisced** while sharing their wartime stories. After our **two minutes silence**, we had a good old fashioned **sing along**, with lots of our residents in the lounge joining in, which they all thoroughly enjoyed.

Everyone commented on how well our lounge was **decorated** and they really loved our poppy wall with lights. It was so lovely to see so many happy smiling faces – waving their flags and singing along together.

We enjoyed a reflective **afternoon tea**, with delicious cakes made by Leigh.
