

## Residents are welcomed aboard HMS Seas The Day at Meyer House Care Home

**We had an amazing launch of our virtual cruise here at Meyer House on Friday 12 January.**

Captain Gill arrived dressed as our passenger cruise ship 'Seas The Day' and was surrounded by her able shipmates all ready to set sail! There were red, white and blue **balloons** and **bunting**, and a huge **world map**, to really set the scene!

Our residents were escorted aboard and had their **passports** and **boarding passes** checked. They were suitably dressed in sun hats and sunglasses too, and some brought inflatable rings for the pool! As they arrived aboard ship, they enjoyed a welcome **fruity cocktail**.

The launch of our cruise also marked **Chinese New Year**, so we were delighted to serve our passengers a wonderful themed lunch of delicious **Chinese dishes** and **fortune cookies** of course! We also enjoyed giving our residents **lucky Chinese envelopes** too to celebrate the special day as we set sail from Hong Kong.

What a fantastic adventure! We loved the atmosphere of the day and are looking forward to the sunny destinations ahead.

*Happy cruising everyone!*
