

## Santas elves are working hard at Meyer House Care Home

### Elfing marvellous!

**Registered Manager Gill Redsell and her merry elves at Meyer House Care Home are gearing up for a very happy Christmas!**

It's just a typical December morning at the Home with a group dance to "*Merry Christmas Everyone*" by Shakin' Stevens.

Gill and her wonderful staff really work as a team and they're working extra hard this year to bring the joy of Christmas to their residents, after such a difficult year.
