

## Sixties fun day at Meyer House Care Home

We were feeling very 'hip' here at Meyer House Care Home, when we held a sixties morning recently to bring a splash of colour and fun indoors!

Our staff and residents got into the spirit of it and dressed to impress in their amazing **60s-style fabrics, headbands** and **funky accessories**, which our ladies and gents thought was brilliant fun.

We never disappoint when it comes to fancy dress – *what a groovy bunch we are!*

We welcomed a **singer** in the afternoon, who sang for us from a social distance and provided a lovely backdrop for the party. We all enjoyed singing, chatting and laughing – *great fun!*

As part of the event, our staff baked some lovely **cakes** between them and we held a small raffle, which raised a super **£197.50 for our Residents' Fund**.
