

Smiley Day at Meyer House Care Home

We decided to have a Smiley Day here at Meyer House Care Home recently, as what's better than a beaming smile?

Liza, Charlotte and Lisa from our Recreation and Well-Being Team made smiles on plates and asked our residents, "What makes you smile?".

We had some wonderful answers, shown in the photos, including:

*My family
Talking to my friends
Fudge!
Dogs, dogs and more dogs
Daffodils
Music
Chatting on the phone*

Agnes has been trialling our new **MP3 Player** with headphones, which she found very enjoyable and Kath received some **beautiful flowers** sent in from her family, which really brightened her day.

And it's **Halloween** soon, so we're looking forward to lots of fun!
