

## St Davids Day and a visit from Susie at Meyer House Care Home

## St David's Day and pancakes

We enjoyed St David's Day this week here at Meyer House Care Home.

Our lounge was a vision of **daffodils, inflatable dragons and sheep, as well as Welsh flag bunting, swords and shields.**

With Shrove Tuesday being on the same day, we were busy eating our **pancakes** whilst trying to slay dragons and round up sheep all at the same time!

## Games and history

Doris and Bill enjoyed a nice game of **snakes and ladders** last week, while Freda enjoyed looking through some **old photos and reading about the history of Crayford** which is where she lived for many years. She enjoyed seeing all the old cars and all the changes that have happened over the years.

## PAT Dog Susie

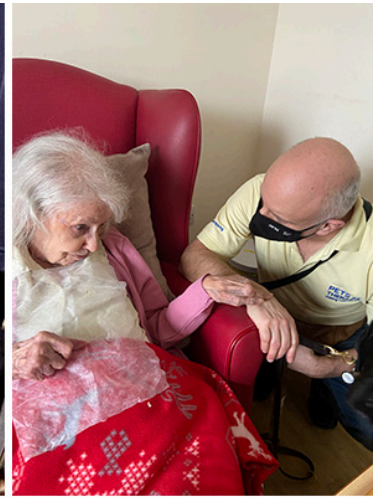

**Susie our lovely PAT dog came for a nice visit** last week and brought a smile to those who spend a lot of time in their rooms, as she went around visiting everyone.

She enjoyed being given little treats in exchange for lovely cuddles and lots of attention – a fair deal!

After a little trek around the rooms, Susie was quite tired so returned to the lounge where she made herself nice and comfy on Bill's

feet!

Enjoying our visit from Susie
