

St Patricks Day cakes and mocktails at Meyer House Care Home

A lovely day was had by all at Meyer House Care Home on Wednesday 17 March when we celebrated St Patrick's Day together.

We made some delicious green iced **cakes** whilst listening to some **traditional Irish music** and enjoyed a relaxing afternoon watching **Riverdance** with some delicious **St Patrick's Day mocktails**!

Travel journals

Our residents have also finished their **travel journals** for India this week, and we are all set to start on our Spanish adventure.

Another stamp on the passport and we're on our way!
