

Surprise family visit for Lilian at Meyer House Care Home

Our lovely Lilian had a wonderful surprise at Meyer House Care Home on Sunday afternoon, when she was met in the garden by her son Carl and his partner Amtul.

Due to Lilian being quite poorly, she prefers to spend a lot of time in bed, so this was such a nice change and really brought colour to her cheeks.

It was so special to see her with her loved ones, as she really didn't stop smiling!

All smiles!
