

Suzy and sweet treats at Meyer House Care Home

Suzy our 'Pets as Therapy' dog made herself a new friend this week at Meyer House Care Home, with our new gentleman **Alan**. He made a big fuss of her and gave her lots of treats – which of course she thoroughly enjoyed.

Our residents also enjoyed biscuit decorating with a lovely variety of icing and toppings; they didn't last long once they got their cups of tea to dip them into though!

Who can resist an iced biscuit?
