

The annual summer garden party at Meyer House Care Home

Staff and residents at Meyer House Care Home had a lovely afternoon at our annual garden party last Thursday and thankfully the sun was on our side.

So many of our residents' family members turned up, including families of past residents, which was lovely.

We struggled to fit everyone in but we managed it with a bit of a squeeze. With lovely food, good music and a visit from Mr. Whippy, the perfect afternoon was had by all!
