

## **The Royal Wedding at Meyer House Care Home**

### **Residents and staff get dressed up to celebrate!**

**On Friday 18 May here at Meyer House Care Home, we celebrated the Royal Wedding.**

Elvis joined us for the morning's entertainment and this was followed by an afternoon tea with our 'Royal Guests'.

Everyone made a real effort to get dressed up and 'look the part' and we even had our very own wedding cake!

For a bit of fun, everyone brought in a photograph of their wedding day, so we could all play 'Guess who the Bride is?'.

We all had such a memorable day and wish Harry and Meghan a very happy future together.
