

Through the Decades 1970s style at Meyer House Care Home

A fun day was had by all when we celebrated our 1970s day earlier this month at Meyer House Care Home.

We welcomed a fantastic **singer Callie** into our Home who sang our favourite 70s songs to sing along to.

Our staff made a huge effort and **dressed in 70s clothing**, whilst our ladies and gents enjoyed having our hats and props to dress up in. John especially liked his sequinned hat and sunglasses. *Great fun!!*

Everyone had a brilliant afternoon, loving all the songs and the colourful theme.
