

Twisting tongues and bingo at Meyer House Care Home

We had a fun-filled afternoon with lots of laughs on Monday when we celebrated International Tongue Twister Day at Meyer House Care Home!

We had a selection of **tongue twisters** to try and our residents did really well – even making up some of their own!

On Friday we enjoyed a **bingo afternoon**, with chocolate prizes (with everyone getting a bar for taking part!).

Our residents do love their regular game of bingo with our 'Lucky Bingo' caller.
