

Valentine love at Meyer House Care Home

It's been great fun preparing for a Valentine's Day full of love here at Meyer House Care Home.

We created some wonderful '**Love grows here**' painted handprints and messages of love to send out to loved ones and friends.

We also cut out love hearts and signs to **decorate our Home**.

On Valentine's Day our residents enjoyed a **romantic film** with their feet up and some **chocolate**. *What's not to love?!*

Our messages of love
