

Valentines arts, crafts and baking at Meyer House Care Home

We had a busy Valentine's week here at Meyer House Care Home.

Some of our residents created a batch of heart-shaped jam tarts to celebrate the special day. They enjoyed rolling the pastry and adding the jam and the final tarts were delicious!

As a group, our ladies and gents also produced a brilliant Valentine's Tree picture, constructed from many individually painted hearts in red, pink and purple. It looks brilliant displayed in our **Home**.

Some residents made personalised hearts for their loved ones too.

*We were really feeling the love here at **Meyer House**!*
