

Valentines celebrations at Meyer House Care Home

Love was definitely in the air on Valentine's Day this weekend at Meyer House Care Home.

Each of our beautiful ladies received a **fresh red rose**, a **handmade heart** and a **little poem**;

*'Take this heart
And hold it close
Think of your loved ones
You miss the most

Take this heart
And give it a squeeze
Once, twice,
Or as many times as you please

Take this heart
And close your eyes
Imagine your beloved
Right there by your side'*

Whilst we spoil our gents with **chocolate**, a **handmade heart** and a **beer**!

Our residents were also treated to a delicious lunch courtesy of our own Leelee Walker, which was beautifully presented;

Salmon Kedgeree with fragrant herbs and spices (Fresh parsley, black pepper and turmeric) with soft boiled egg, spinach and mushrooms

Lamb Pot with Dauphinoise potatoes, carrots, cauliflower, broccoli and cabbage

Special Diet: Lamb Pot with vegetables

Peach Melba with homemade donuts or Lemon Posset with homemade shortbread

Selection of wines, beers and soft drinks with chocolates

Supper

English tea of finger sandwiches, with scones, clotted cream and jam

Assorted cakes and fresh fruit

Special Diet: Fisherman's Pie served with parsley sauce

We also managed to finish our little craft project of **folding a book's pages into a heart**, which we were really pleased with!

Such a delight on Valentine's Day!
