

VE Day street party celebrations at Meyer House Care Home

We had a wonderful day celebration VE Day at Meyer House Care Home on Friday 8 May.

Our ladies and gents enjoyed getting ready for the celebrations and had their **flags** at the ready to wave and **Union Jack hats** on! And our **staff were dressed to impress** in their wartime clothes too – they looked amazing!

We laid out long tables in our garden for a real 'street party' feel, decorated with Union Jack table cloths and bunting. Our residents enjoyed lunch outside, complete with **Union Jack cupcakes** and a **brilliant 'Warden's Hat' cake made by Leigh**.

Debbie and her husband sang for our residents as they enjoyed the sun, food and mocktails together.

We all thoroughly enjoyed the special day - one to remember!
