

## **Welcoming Albus to Meyer House Care Home**

### **Suzi and Albus**

**Our residents here at Meyer House Care Home were delighted to receive a visit from furry friend Suzi last week, who brought her 14-week-old brother Albus with her.**

Everyone loved having cuddles and kisses with him but still made a big fuss of Suzi as well!

## Tin can alley

Two of our residents, **Doreen and Jack**, had a great time playing **tin can alley** together last week. They certainly gave their arms a good workout – *they gave it their all!*
