

## Welcoming back Susie and Steve to Meyer House Care Home

**Our residents and staff love pets here at Meyer House Care Home, and it's been hard through lockdown not being able to invite them in to see us.**

Everyone has really missed seeing **Susie the PAT dog and her owner Steve**, so it was fantastic to be able to welcome them back.

We had a super time making a fuss of Susie, who sat so beautifully with our ladies and gents as they made a fuss of her. She has such a lovely temperament, which is so relaxing.

*Thank you to Susie and Steve for their visit – come again soon!*
