

## Wishing John a happy birthday at Meyer House Care Home

On Wednesday 28 February we wished our lovely gent John a very happy birthday here at Meyer House Care Home.

He celebrated with his friends at **Meyer House** and was over the moon with his **new slippers**, plus his **Charlton Athletic birthday card**.

He was all smiles when he received his **delicious celebration cake** too and couldn't wait to share it with everyone.

*Many happy returns John – we're delighted you had such special day!*
