

World Chocolate Day celebrations at Meyer House Care Home

World Chocolate Day

Our residents at Meyer House Care Home enjoyed a lovely afternoon tasting a variety of chocolate to celebrate World Chocolate Day on Thursday 7 July.

We had some old favourites on offer, as well as some newer chocolates to try.

Our dishes looked very tempting, packed full of delicious chocolatey treats including **chocolate buttons, Ferrero Roche, rum and raisin bars, mint aero, Malteser's** and **more!** *Willy Wonka would be proud!*

Sunflower planting

Our residents **Doreen, Bill** and **Freda** enjoyed planting their **sunflower seedlings** recently, which they received in their Jubilee goodie bags.

They look very healthy in their pots and we can't wait to see them grow!
